

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
TUESDAY, APRIL 27, 1971

Award winners in last Saturday's Junior High Drama Festival are shown here. From the left, Jan De Bock, Sangudo, Best Actress; Brian Telford, St. Anthony's, Best Actor; Debby Holmen, Heather MacKenzie and Barry Sommers (holding trophy) members of the cast of the award-winning play "The World Tipped Over and Is Laying on its Side" presented by the Drayton Valley Junior High; Jerry Carr, Sangudo, Best Supporting Actor; Robert Smith, also a member of the cast of "The World Tipped Over"; Gerald Fuhr, Stony Plain, Best Staging Effects; and Claudette Duperron, St. Anthony's, Best Supporting Actress.

'THE WORLD TIPPED OVER' TAKES DRAMA HONORS

People who think that today's youth does not contain any capable and exciting personalities were not at the first annual Drayton Valley Junior High School Drama Festival co-sponsored by St. Anthony's Separate School and the Drayton Valley Junior High School.

In the words of adjudicator, Mr. Ken Graham, "the finest and highest standard Junior High Festival that I have ever attended", these very gratifying words for staff organizer Mrs. Lil Ross, Mr. Paul Brady and Mr. Joseph Gudcz.

Because of the excellent quality of the plays and the high level of individual talent of the performers Mr. Graham had many challenging decisions to make but the following were the result of the days activities. Mentioned first are those in contention and the winner stated below.

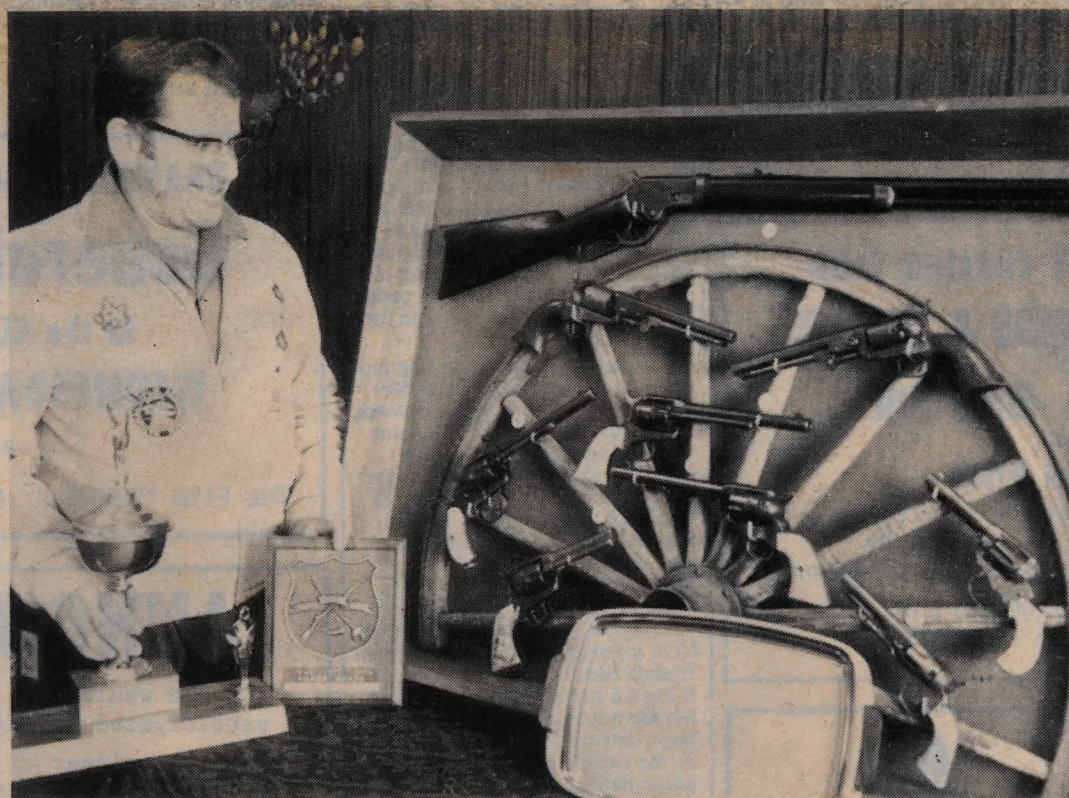

Best Supporting Actor: Gerry Carr - the Hunter in "The Storm" by Sangudo Jr. High; Jami Sandbekken - Blair Kelly in "N for Nuisance" by Barrhead Jr. High; Barry Sommers - Fater, boy and old man in the "World Tipped Over" by Drayton Valley Jr. High. Winner - Garry Carr of Sangudo.

Best Actor - Brian Telford - Fidel in "Sunday Cost Five Peso" by St. Anthony Jr. High, Drayton

Valley; Kevin Gray - Johnny Dunn - "Johnny Dunn" by Stony Plain Jr. High; David Espeseth - Bethy Gibson in "N for Nuisance" by Barrhead Jr. High. Winner - Brian Telford, St. Anthony's Drayton Valley.

Best Supporting Actress: Loretta Marfleet - Susan in "Sparkling" by Drayton Valley Jr. High; Claudette Duperron - Salome in

Cont. on Page 2

Mr. Ken Wardlow is shown above with one of five panels of a firearms exhibit that won him awards at recent Calgary and Edmonton shows.

Firearms Collection Wins Prizes at Recent City Shows

Firearms have interested Ken Wardlow keenly for many years -- since he received his first pistol from his grandfather several years ago. For the past six or seven years the Wardlows have been ardent collectors and at two successive recent shows brought home trophies indicative of the quality of the collection that now numbers about 100 firearms.

At a Calgary show the Wardlow collection of 70 pistols and rifles won the "Best of Show" award and a further prize for the best pistol display, and at the Edmonton Antique Car and Gun Show the display was awarded a silver plaque.

The display occupies five panels similar to the one shown in the

accompanying photo. Mr. Wardlow plans to exhibit the collection next in North Battleford in June.

Two very interesting pieces of the panel shown in the photo are the top two pistols. They are percussion cap pistols purchased by the Government of Upper Canada in 1855 to equip Cavalrymen of the St. Catharines Troop -- 53 men in all. The pistols are engraved with scenes of an engagement between ships of the Texas and Mexican navies.

The rifle is one of 6,403 Colt Burgess models manufactured before an agreement between Winchester and Colt to refrain from producing competitive lines. Winchester since has produced

rifles and shotguns and Colt hand guns only.

The other six pistols in the display are models used at various stages of the settling of the west.

Other exhibitors from this area were Mr. Bob Mayhew and Mr. and Mrs. Carson Henningsmoen of Drayton Valley and Mr. Fred Vogel of Berrymoor.

Mr. Mayhew won a bronze plaque for his display of cartridge firearms and artifacts. Although they missed the prizes this time, Mr. and Mrs. Henningsmoen's excellent collection of antique lamps drew a great deal of attention.

Mr. Vogel's display consisted of his splendid collection of Indian Artifacts.

PRESENTATIONS TO HIGHLIGHT WIND-UP

Banquet Chairman, Doug Hall announced this week that Doug Messier, coach of the Edmonton Monarchs and former semi-professional league player will be added to the guest list for the Minor Hockey banquet, along with Clare Drake, Frank Roggeveen and Sam Belcourt.

The banquet on Saturday, May 8th, will be catered to by the Elks of Drayton Valley. The meal will feature another of their specialties, barbecued roast beef, a process developed by the Club.

The banquet will be followed by special presentations of team trophies to Mighty Mites, league and playoff winners; Mites, league and playoff winners; Peewee, league and playoff winners; and Bantam, league and playoff winners.

Individual Trophies will be presented to the outstanding goalie, outstanding defenceman and outstanding forward in each of the House Leagues.

Presentations will be made to each of the 18 minor hockey

league teams for their leading scorer, most valuable player and sportsmanship award. Special presentations will be made to Drayton Valley Leprechauns, Highway 16 League champions and Drayton Valley Clippers, Highway 16 League Champions.

Special Presentations will also be made to Drayton Valley Challengers, Alberta Provincial Bantam B Champions.

Special entertainment will feature a young Frank Maddock High School group consisting of Mark Pickup, Glen Swanland and Ian Oscar.

Tickets may be purchased at the Recreation Office. Deadline for tickets will be Wednesday, May 5th.

Plan Annual Spring Clean-up

At the last regular meeting of Town Council, the date of the Annual Spring Clean-up was set for the week of May 9th to 15th.

Residents are requested to assist in this regular polishing of the town's exterior by gathering up rubbish around residences and collecting in containers for pick-up. If required the town work force will also assist in the pick-up.

\$251. Raised for Mission Work

About 250 people attended a film shown Thursday last when \$251.38 was donated to Dr. Hugh MacLure in Uganda for missionary work.

This money will go towards the sum of \$625 needed to meet the freight charges on supplies of urgently needed material worth \$8,000 which is available to him from an organization in the U.S.A. for little more than the cost of shipping.

Further donations to the fund can be made to Dr. D.J. Lewis or Dr. D.L. Belcher, Drayton Valley.

Hockey Player Suspended

Ron Poole of the Camrose Maroons has been suspended, by the Alberta Amateur Hockey Association from all hockey for one year, and for life as a player with the right of review after five years, for striding an official.

The incident took place at Drayton Valley during the Provincial "C" Playoff with only 1:10 left to play in the Maroons last game of the season.

Archery Club To be Organized

Discussion of the formation of an Archery Club will take place at the regular meeting of the Pembina Oilfield Fish and Game Association at 8:00 p.m. on Thursday, April 29th.

Anyone interested in the sport is asked to attend.

Tennis Meeting Thurs. Apr. 29

A meeting of the Drayton Valley Tennis Club will be held on Thursday, April 29th at 8:00 p.m. in the Recreation Meeting Room in the Town Hall.

The purpose of this meeting is to lay plans for the coming season and to work out a program for the operation of the Club and the tennis courts this summer.

All persons interested in tennis should attend this meeting. The success or failure of a tennis program in Drayton Valley depends a great deal on Thursday's meeting. Please, plan to attend.

Skating Club General Meeting

All interested mothers and fathers please remember that the Drayton Valley Figure Skating Club general meeting will be held Thursday, May 6th at 8:00 p.m. in the Council Chambers. Election of officers will be held.

Bottle Drive

Members of Drayton Valley Cub Packs will hold a bottle drive on Saturday, May 1st, starting at 10:00 a.m. Please try to have bottles ready for the boys when they call.

F.G.A. Meeting

Regular monthly meeting of Pembina Oilfield Fish and Game Association will be held on Thursday, April 29th at 8:00 p.m. in Goliad basement.

Junior High Drama Festival

Cont. from Page 1

"Sunday Costs Five Peso" by St. Anthony Jr. High, Drayton Valley Sharon Semeluk - Johnny's wife in "Johnny Dunn" by Stony Plain Jr. High; Sandra Sommers - grandmother in "Sparkling" by Drayton Valley Jr. High. Winner Claudette Duperron, St. Anthony's Drayton Valley.

Best Actress: Heather MacKenzie - Spirit in "World Tipped Over" by Drayton Valley Jr. High; Loretta Kruger - Berta in "Sunday Costs Five Peso" by St. Anthony's Jr. High, Drayton Valley; Analee Stephanie - Sarah Gibson in "N for Nuisance" by Barrhead; Janey DeBock - Mary in "The Storm" by Sangudo Jr. High; Debbie Holman - Woman and girl in "World Tipped Over" by Drayton Valley Jr. High. Winner Janet DeBock, Sangudo Jr. High.

Visual Effects: The World Tipped Over and Is Laying on its Side by Drayton Valley Jr. High; Johnny Dunn by Stony Plain Jr. High. Winner Johnny Dunn, Stony Plain.

Best Play: The Storm by Sangudo Jr. High director Linda Kambeck; Sunday Cost Five Peso by St. Anthony's, Drayton Valley; The World Tipped Over and Is Laying on its Side by Drayton Valley Jr. High, directors Mr. Paul Bradley and Mr. Joseph Gudcz. The winner - The World Tipped Over and Is Laying on its Side by Drayton Valley Jr. High.

All these plays move on to Sangudo this weekend to the West Zone II Competition and with adjudication adjustment are going to be battling it out for further honors. Sixteen plays from area High Schools and Junior High Schools are taking part in this three day Festival April 29, 30 and May 1st. Drayton residents, who wish to give support to their local youth can drive to Sangudo Saturday afternoon when both Junior High Plays will be presented along with St. Anthony's great production of "Sunday Costs Five Pesos" which received two individual acting awards.

The following week drama enthusiasts can head to Red Deer for the two day Provincial High School Drama Finals - arrangements are being made to take a number of local school students to this truly fantastic and exciting Festival.

ALDER FLATS LEGION HOSTS DISTRICT RALLY

Over 100 Legionnaires, representing the twenty branches within District 4 of the Royal Canadian Legion and as many delegates of the Ladies Auxiliary to the Legion were in Alder Flats Sunday, April 18th for a district rally. The men met in the school auditorium and the ladies in the community recreation centre.

A new District Commander, Hugh Greene of Ponoka, was elected to succeed Stu Black of Innisfail. The ladies elected Mrs. Florence Black of Innisfail as their new District Commander, to succeed Mrs. Kae Girling of Ponoka. Both will be officially installed at the Legion Convention later this year.

Bill Gordon, Provincial President of the Legion was also on hand to speak to the Legion meeting, while Mrs. Joy Manuel, Provincial President of Innisfail spoke to the ladies.

During the afternoon, various subjects of particular interest to veterans were discussed, including pensions, the Poppy Fund, the Legion's sports programs and new directions being taken by the Legion to increase membership.

The award for the greatest increase in membership in the past year was presented to Red Deer, where an increase of 223 was accomplished.

Mr. Gordon, in his address, noted that the Legion's work with Polio rehabilitation is needed now even more than in 1953 when it began, and he hoped that the Legion would continue in this work.

Councillor Alex Danyluk of Alder Flats brought greetings from the County of Wetaskiwin to the large gathering.

Following the meetings, a buffet dinner and refreshments were served by the local ladies group in the community centre.

Special Mass

Those who plan on taking in the AA Round-Up this weekend, May 1st and 2nd may go to the special Mass at St. Anthony's Church this Sunday, May 2nd. The Mass will start at 9:00 a.m. and will end in time to make the breakfast at the Canadian Legion Hall.

"I don't intend to do anything for my perspiration odor ... now buzz off!"

Meat Producers Face Challenge

We cannot insulate ourselves within our own borders and stay in the meat business. We must produce a product that, in addition to satisfying the Canadian consumer, can meet the demands of households half way round the world. Only then can we keep the meat industry in Alberta alive.

We are presently faced with a burdensome number of market pigs. Our bacon pig was designed to fill the needs of the British market years ago. The Wiltshire side was the standard product with very specific measurements of length and weight. Very little, if any, trimming was done on the carcass at the packing plant. The present demand for our pork come from the specialized markets in the United States and small amounts are finding their way over seas. We are currently trying to send more to Japan to keep pace with their increasing demand for red meats.

The sudden increase in hog production, resulting from the barley situation of the last two years, has depressed prices to the point where producers must be very efficient to survive. The one saving factor has been shipments of live hogs to the western United States. This proves two things - that we can compete with U.S. producers on their own market, because of certain geographical advantages, and secondly that we have a product that our American friends like. We must do everything we can to hold this market. Maybe not in the form of live hogs, but we must keep people in the Pacific States eating Canadian bacon.

The beef picture is more complex. Recently, we have had to bring live cattle in from the U.S. to satisfy our market. This unusual situation was brought about by a combination of factors, such as labor unrest and price changes within the United States, that allowed their cattle to flow north. Their beef is fitting into our trade with no apparent change in quality on our meat counters.

We have been told that we must increase meat production to satisfy our own demands ten years from now. The statement has been made "that if the price is right the meat will be here". The current beef situation proves this to be true, but where will the meat come from? Our present import system allows beef from outside sources to come in to fill our Canadian needs.

Our practice of feedlot finishing beef cattle has created a situation where we are getting more animals into the higher grades on our beef standard. But we eat a lot of processed meats in canned

and packaged form in addition to the increasingly popular hamburger. It appears we will have to continue to import to fill these demands. However, the "high quality" product that we produce does have a market overseas, and here again we are looking to the Japanese as a possible outlet.

The lamb and mutton situation is entirely different. Everything comes into the country, but nothing goes out. We can expand sheep production substantially and still eat all we produce.

Revised Bylaw Effective May 1st

The new Town Traffic Bylaw No. 528 will go into effect on May 1st, 1971. The Bylaw will be posted on the Town Office notice board for examination by anyone interested.

MAGNOLIA NEWS

The community extends sincerest sympathy to Joan Negraiff and her family on the sudden passing of her mother.

Friends and relations gathered to spend the Easter weekend with Cecil and Marie June. They came from Jasper, Revelstoke, Dawson Creek, Chetwynd, Lloydminster, Kitscoty, Edmonton, Wetaskiwin and Highvale.

Colleen Campbell celebrated her twelfth birthday on April 6th.

We are sorry to hear that Lorne Anderson has been confined to the University Hospital. We hope you're better Lorne.

Easter guests with Dean and Betty Strangway were: Mrs. Savage, Mr. and Mrs. Hollman and family.

Jack and Vera Balfour attended the annual banquet of the Milk Producers Association which was held in Evansburg on April 15th. During the evening Jack and Vera were presented with the N.A.D.P. trophy for the "Best Raw Milk 1970". Congratulations from the community.

Dean and Betty Strangway celebrated their sixteenth wedding anniversary on April 15th. Congratulations to both of you from all of us.

Easter guests with Mr. and Mrs. Storms were the Stables family of Drayton Valley.

Regular Meeting County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the county office at Stony Plain, Alberta on Monday, April 12. Minutes as recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, Roy Lent, George Mann and Ivar Vowk. Councillor Robert A. Bailey was inadvertently absent due to illness.

The minutes of the last regular meeting, a copy of which was forwarded to each Councillor, were adopted.

Request for payment of \$718.51 for extras on the building in Drayton Valley was received from C. J. Woods Sales Ltd. A quorum of the Council to inspect the building and make a recommendation.

A joint inspection of this building was recently made in the presence of Mr. C. J. Woods, the general contractor, and it was found that certain deficiencies exist which cause water to form in the attic and leak into the building.

It was agreed that this account be paid only if C. J. Woods Sales Ltd. gives an extension of the warranty in writing, satisfactory to the Council. The warranty to set out in detail the rectifications that are to be performed.

Request for permission to construct an addition to a barn on the SE 14-53-1-5 was received from Mr. Hans Strass of Stony Plain. Mr. Strass has requested permission to construct an addition to a barn on the SE 14-53-1-5. This barn is located closer to the road than County Policy governs and the addition would be again closer to the road than the existing building.

It was agreed that the construction of this addition be approved subject to the condition that Mr. Strass agrees, in writing, to move this addition at his own expense if required by the County to facilitate road improvement or construction by the County.

Letter dated March 4, 1971 from the Department of National Defence was read to the Council requesting permission to use the Chickacoo Lake Park area to carry out company sized training to include navigation, platoon formation, patrol, a small amount of blank cartridge firing and use of the lake for rubber boat crossing.

It was agreed to not object to this request and that the Department of National Defence work through the Parkland Regional Recreation Department.

Letter dated April 3, 1971 from the solicitors for Mr. William B. McDonald was read to the Council requesting construction of the road to the NE 6-52-5-5 as Mr. McDonald wishes to move a house onto these lands for residence purposes.

This request was referred to the Public Works Committee for inspection of the road.

EMPLOYMENT REFERRAL SERVICE
It was pointed out that there is a need for an employment service through which employers and those people seeking employment could register their needs and requirements. It was agreed that an employee referral service be provided through the County offices in Stony Plain and Drayton Valley.

A recent letter from Mrs. A. R. Kidner of Entwistle was read to the Council requesting that the road to the SE 3-53-7-5 be improved to allow school bus travel.

It was agreed that the Public Works Committee make inspection of this road.

Letter dated March 18, 1971 from Cormie Ranch Ltd. was presented to Council regarding drainage problems being encountered in the Shoal Lake region. It was agreed to refer this matter to the Public Works Department for attention.

By-Law No. 11-71 to approve an agreement with the Town of Spruce Grove and the Town of Stony Plain for the joint construction, ownership, maintenance and operation of a water transmission line received second reading.

Letter dated March 31, 1971 from Mr. Wilfred Greenbank of Wabamun was presented to the Council offering to purchase the E 1/2 19-53-3-5 for the sum of \$3,000.00 cash. Mr. Greenbank indicated that he would lease this land if it can't be purchased.

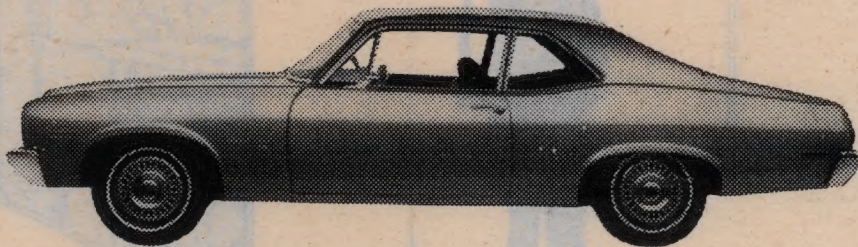

It was agreed that these lands be not sold but instead they be offered for lease by tender.

Agreement for three acres of land for purposes of a gravel stockpile site in the NE 26-51-3-5 at an annual rental rate of \$120.00 was approved.

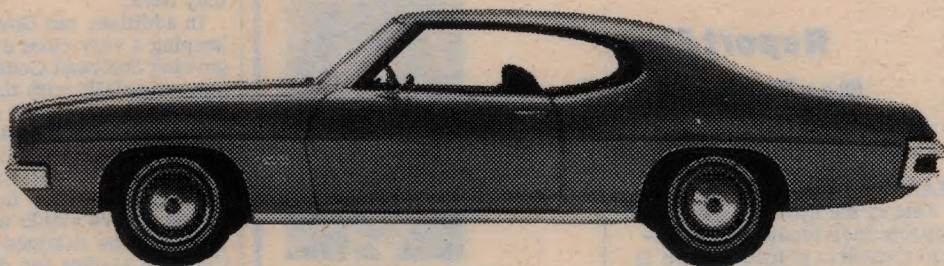

SENIOR CITIZENS HOME IN DRAYTON VALLEY

A delegation of three members from the Drayton Valley Senior Citizens Association were present at the meeting regarding their proposal to request construction of a Senior Citizens Home in the Town of Drayton Valley. Mr. Ralph

There's a low-priced Pontiac in all four sizes.

Pocket-size

Trim-size

Full-size

Sport-size

It may be much easier than you think to afford a new Pontiac. Because this year there are bargain-priced models in all four Pontiac sizes.

Pocket-size Ventura II is our newest Pontiac and our smallest—at Pontiac's smallest price. Now small car lovers can join the Pontiac family.

Trim-size T-37 is so cost conscious, 85% of North American cars cost more than its trimmest price*!

Full-size Laurentian, the lowest-priced big Pontiac, gives you features such as a

dent-resistant grille divider you just can't get on other cars.

Sport-size Firebird is our basic sports car—if you consider a car as exciting as our lowest-priced Firebird a basic anything.

Size up the '71 Pontiac that fits your needs and your budget. Do it today—at your Pontiac dealer's.

*Based on published manufacturers' suggested retail prices, compared with T-37 Pillar Coupe.

Don't forget to buckle up for safety.

Some of the equipment illustrated or described is optional at extra cost.

You may win up to
\$30,000

Ask for full details at your participating Pontiac dealer's.

You can enter GM's MONEY MILES SWEEPSTAKES if you're 16 or over and have a valid driver's license. You don't have to buy a thing. Entries must be in by May 31, 1971.

KEEPPHILLS NEWS

Melodie and Michael Edge are spending an extra week holiday here from their school in Calgary. Their parents will pick them up Saturday.

Roy and Ellen Raymond and family visited Ellen's parents at Pickardville on Sunday.

We all wish Marie Hansen a speedy recovery. She is a patient in the Drayton Valley Hospital.

Roy Tattersall and family from Fox Creek, Jim and Theresa Miller of Edmonton, Fern Tarabain and her two little boys were afternoon visitors on Sunday at Della and Edward Tattersall's.

Brenda and Dave Moonen and young son Glenn of Spruce Grove were visitors at the Clarks at Highvale last weekend.

Mabel Bryant is staying with Marie MacDougall and says she is feeling better now that spring is here.

Mrs. Selma Walker has spent a few weeks in the hospital at Quesnell, B. C. recently but was able to be home last week.

FALLIS NEWS

Laurie Magerison was out from Edmonton to visit her parents, brother and sister, Mr. and Mrs. J. R. Magerison, Johnny and Bonnie over the Easter holidays.

Bingo was held in the Fallis Community Hall on April 16 commencing at 8:00 with a very large crowd in attendance. The next bingo to be held in the Fallis Hall will be on April 30 with the bonus jackpot of \$25.00 to be won in 62 calls on the tenth game and the regular jackpot of \$220.00 to be won in the first five calls of any game other than the share-the-wealth on a standard game or four corners.

Pat Orchison was out from Edmonton over the weekend to visit her parents, brother and sister, Mr. and Mrs. Jim Orchison, Russell and Paula.

Mr. and Mrs. Earl Lounsbury had some company from Edmonton over the weekend.

Mr. and Mrs. John Elneski have returned from an enjoyable holiday in Vernon and Kelowna.

Report From Parliament Hill

By Allen Sulatycky, M.P.

JEAN-LUC PEPIN

One of the most colourful and capable individuals on the present Canadian political scene is the Honourable Jean-Luc Pepin, who holds the major and crucial cabinet post of Industry, Trade and Commerce.

Pepin is a minor legend around the House of Commons because of his quick wit and good humour which he uses to positive effect in getting his motions and bills passed. Few political leaders have such an unusual ability to "pull the fangs" of opposition critics and stop obstruction of their legislation. The only other Cabinet Minister that is similarly praised by even the opposition for his skill at piloting legislation

through is the man, ironically, who is in charge of pilots and carries the big Transport portfolio, the Honourable Don Jamieson.

Pepin is, in short, the ideal salesman. He is gregarious, aggressive and positive, even sometimes flamboyant.

This week Pepin has personally led a group of 30 Canadian industrialists to West Germany, a country short on resources and labour, but flush with capital and industrial ability. Canada and West Germany therefore, compliment each other. We have

what they lack and we need what they have.

In addition, our Government is keeping a very close eye on the growing European Common Market, especially with the United Kingdom on the verge of entry. We are determined that this mass of consumers who are, by world standards, relatively wealthy, be not lost to Canada. We must have viable trade relations into the enlarged European Common Market and do all in our power to prevent this market community from lowering the world price of such necessary and sensitive Canadian exports as wheat and milk powder.

So Jean-Luc Pepin has gathered together some key industrialists and gone to Germany as part of a many pronged approach to attracting industrial growth to Canada, improving our sales of Canadian materials abroad and preventing the European Common Market from throwing up a stone wall trade barrier against countries like Canada. If any man is capable of accomplishing these tough tasks, none could do much better than Jean-Luc Pepin.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Legislation implementing a compulsory auto insurance scheme for Alberta, with a board to review insurance rates, will take effect in the province April 1, 1972.

The auto insurance bills now before the Legislature will make it mandatory for every vehicle owner to carry a minimum of \$35,000 public liability and property damage coverage. The scheme is virtually the same as that recommended a year ago by an all-party committee studying auto insurance.

The plan has limited no-fault provisions which will pay death and accident benefits to a maximum of about \$10,000 immediately after an accident regardless of who was to blame for the accident. The death and accident benefits are designed to ensure those people affected by an accident will receive immediate payment to meet financial necessities but they will not affect the possibility of future court actions for additional damage.

The Alberta Automobile Insurance Board is also created in the legislation to review the rates charged by insurance companies for the compulsory package. All

insurers will be required to file a complete set of rates as of April 1, 1971 and then early next year again file the rates they intend to charge under the compulsory scheme.

The initial rates and any changes in the rates must be approved by the board, which is also allowed to investigate any aspect of auto insurance.

The mandatory scheme will do away with the \$20 green card which uninsured drivers can now buy. The green card provides no insurance coverage but represents instead a contribution to the Unsatisfied Judgement Fund for accidents involving uninsured drivers.

Highway and Transport Minister Gordon Taylor said the government will rely on stiff fines -- likely \$250 for the first offence -- on uninsured drivers to make sure the compulsory scheme succeeds. Other jurisdictions which have tried compulsory insurance have been plagued with enforcement problems when drivers cancel their policies or allow them to expire.

The compulsory scheme is not a major issue between the two major parties because it leaves insurance sales in the hands of private operators. A similar scheme in Manitoba last year met heavy opposition because it set up a government-run insurance industry.

Non-returnable soft drink bottles and cans are the target of another government bill given first reading last week. The legislation forces retailers to refund a two-cent deposit on non-returnable bottles and cans starting January 1, 1972.

Editorial — Comment

Child Accidents Can be Prevented

Parental responsibility for teaching children safety, protecting them against hazards and setting them a good example is stressed in Child Safety Week, May 1 to 7 inclusive, which is sponsored by the Canada Safety Council. "Guard Their Lives" is the campaign slogan.

The council points out that more boys and girls are killed in accidents than die from the major child diseases. This is a needless waste of our greatest asset and its immediate substantial reduction should be a matter of grave concern to every Canadian.

All children need adult protection through training, education and safeguards. It is primarily the responsibility of parents, but is a task that should be shared by all adults. A look at statistics -- 1804 fatalities in 1969 -- would indicate to almost anyone the need for adult protection that must be given without hesitation or relaxation.

The Ticket Tax

The Social Credit Government of Alberta can not be accused of not changing its image in accord with the times.

Several radical departures from previous hard and fast lines in the liquor area are far removed from the blue laws of only a few years ago. Most will agree that relaxation of the earlier rigid puritanism was desirable.

Many, however, question a more recent move by the government into the lottery field for additional tax revenue. The additional ticket costs to meet the tax bite might not have a great deal of effect on higher priced tickets such as the Derby Sweepstakes, but it will affect ticket sales by smaller groups in church, youth and community service fields.

The amendment to the Amusements Act becomes effective May 1st, so those who intend protesting the new tax to their M.L.A., have only a few days left to let their feelings be known.

Young Canadians Travel and Learn

During the summer holidays thousands of Canadian high school students will become Young Voyageurs in a federal-provincial program that will whisk them off to far-off places in other provinces and territories.

The project is a commendable one and the seven days spent visiting in another province should broaden vision and possibly lead to lasting friendships. It should do nothing but good for Canadian unity.

Name for an Era

Periods of time acquire names. The "Gay Nineties" ended the nineteenth century, though one wonders if gaiety really was the chief characteristic of those who lived through that decade.

An earlier period has been tabbed "Mid-Victorian", a tribute Queen Victoria might not have appreciated if aware of all its implications.

This kaleidoscope twentieth century has seen the First World War, the Great Depression, the Second World War and the Cold War pass into history.

What name will finally attach to the present period, which, beginning in the sixties, has seen the coming of space travel, the contraceptive pill, the drug craze, long hair and beards, talk of a generation gap, awareness of environmental pollution, political assassinations and the questioning of every once-accepted system of tenet of religion, philosophy or morals?

"Space Age" and "Age of Aquarius" seems so far the leading candidates in the field, the latter disconcertingly indicative of the revival of astrology, a superstition the human race thought it had abandoned a century or more ago.

"Space Age" is the optimist's title. Pessimists counter that historians will dub in the "Age of Madness", the "Era of Insanity" or something equally unflattering, or even speculate that at its end no historian will be left alive to name it anything.

A compromise choice could be "Age of Communication". A neutral title not in itself indicating whether world-wide dissemination of news and ideas at the speed of light helps solve or helps create the multiple problems of the day.

VOL. 7, NO. 17

D. V. Highlights

BY MRS. EDITH DEBY

A warm welcome to Mrs. Anne Marie Kjolien who has just arrived in our town as a bride. Mrs. Kjolien is a high school teacher from Quebec.

Mr. and Mrs. Sylvester Laba-
tuik and family left last week to make their home in High Prairie. Goodbye and Good Luck, folks.

Michael Gormley and his mother expect to move into their new home in about a week. Michael bought Mr. Barry Richer's house.

Clifford Brisebois is moving about on crutches as a result of a ski accident in Jasper. "My leg isn't broken, it's just sprained" said Clifford making light of his injury.

Among the dozens of Drayton Valley people going to California for the Easter holidays were Mrs. Matthew Leake and daughter, Laura. For Laura the best part of the trip was an aeroplane ride she had with a stunt pilot. Laura was so enthralled that it would be no surprise to find her doing clover leaves, 4 point rolls, loop the loop, roll to the top of the loop, Cuban 8, 4 point roll, and 8 point roll. When Laura gets her license we may expect to see her join Maurice McCullagh and John Bootsma in the sky at rodeo time.

Mr. and Mrs. Robert Waddell were in New Westminster recently to see their daughter, Louise. They found Louise and her roommate, Emily Duckett, very comfortably settled in a pleasant apartment and quite pleased with their new jobs.

Mrs. Gus Dusterhoft had the misfortune to break her arm when she fell several weeks ago. Mrs. Dusterhoft suffers a good deal of discomfort still and will be most happy to get rid of her sling.

Mrs. Kenneth Bills entertained at her home with a bridal shower for Miss Marilyn Vowk who is marrying Mr. Jack Barnard on May 1st.

Mr. Harmon Swap has bought Mr. Nick Urchysyn's school bus. Nick gave up the school bus route to drive the ambulance.

Mrs. Elsie Dressler was in Calgary last week taking a cooking course. Mrs. Dressler is head cook at the hospital and we were of the opinion that further training is unnecessary.

It is with regret that we learned of the death of Mrs. Francois Beland, formerly of Drayton

Valley. Mr. and Mrs. Beland have been living at Abbotsford since leaving here. Besides her husband Mrs. Beland is survived by eight children, two of whom, Olive (Mrs. William Hutchinson) and Raymond, live in Drayton Valley. Sympathy is extended to the Belands in their loss.

Mr. Morris Mastre is taking a welding course at N.A.I.T.

Mrs. Gordon Kynoch Sr. has just returned after spending three months with her son-in-law and daughter, Mr. and Mrs. William Block, of Hagens Landing, B.C. The Block's eldest son is sixteen now and may come to stay with Mrs. Kynoch while he attends high school.

Mrs. Claude Free entertained in her home on Sunday evening in honour of Miss Bonnie Mastre whose marriage to Mr. Robert Terry will be an event in the Church of God on May 1st. Miss Mastre was assisted with opening her gifts by Miss Caroline Kjolien and Mrs. Gary Mastre. The hostess's daughters, Mrs. Michael Twerdochlib and Mrs. Joseph Rezewski assisted their mother with entertainment and serving.

LODGEPOLE NEWS

Several ladies attended a bridal shower held on Friday evening for Miss Brenda Elliot, a bride-elect for May.

Mr. R. McGregor spent the weekend in Calgary attending the Highlanders reunion.

Mrs. Ken Erickson and new son William who arrived on April 19th came home on Monday. During the week daughter Barbara acquired a well blackened eye from a bicycle mishap.

A few local people attended the Blood Donor Clinic in Drayton Valley. More donors are always needed so keep it in mind for next time.

The river break-up crest appears to have passed on Friday, April 23rd with no spectacular rise in water level.

Platelets -- These substances play an essential role in controlling bleeding in patients suffering from Leukemia and other malignancies.

Drayton Valley Air Cadets are shown during last week's Sunset Ceremony.

Cadets Hold Sunset Ceremony

Under the command of Lt. A. A. Osborne, Air Cadets of No. 733 Squadron paraded from Frank Maddock High School to the Legion Hall where a short sunset ceremony was held on Thursday evening.

Mr. S. B. Cable, President Branch No. 269 Royal Canadian Legion ably assisted by Mr. P. E. Turner, immediate past President, represented the Branch, which sponsors the local Air Cadet Squadron. Immediately following the ceremony the cadets were paraded into the Legion where both Mr. Cable and Mr. Turner gave a short talk to the cadets.

An added attraction of the evening was the presence of Captain Claude Roy, the regular force officer serving as liaison officer for No. 733 Squadron. Captain Roy, a pilot with No. 435 Squadron at C.F.B. Namao gave the cadets a short talk on the air cadet movement, a movement which he stated in his opinion to be one of the finest youth movements in Canada.

Following this a meeting of the civilian committee, officers and Captain Roy was held in the Legion Lounge. The Ladies Auxiliary of Branch No. 269 was ably

represented by Mrs. Bertha Brooks and Mrs. Phyllis Love, both these ladies are members of the civilian

committee and won praise from Mr. Turner for their work on the committee.

Regular Meeting County Council

Cont. from Page 3

Jespersion, M.L.A. was also present, in this connection.

The delegation requested County participation in the cost of operational deficits based on the equalized assessment for the Drayton Valley Hospital District.

It was agreed to endorse the proposed construction of a Senior Citizens Home in the Town of Drayton Valley.

It was agreed to cancel taxes in the amount of \$7.49 with respect to Lot 7, Block 4, Plan 3504K.S., Lodgepole. This lot was leased by the Department of Lands and Forests and the taxes cannot be collected as the lessee has abandoned the property.

An offer was received from Mr. Dale Clemmer of Drayton Valley to sell Lot 11, Block 33, Plan 2256KS., for the sum of \$3,000. This lot is adjacent to the property presently owned by the County in the Town of Drayton Valley.

It was agreed that this lot be not purchased for the reason that the price is considered to be excessive.

Application to lease Block R1, Plan 4688R.S. (Park Reserve) in the SW 33-51-26-4 was received from Mr. B. W. Blumenthal of Edmonton. It was agreed to lease this Park Reserve to Mr. Blumenthal on an annual basis at a rental rate of \$25.00 per annum.

Letter dated March 19, 1971 from Mr. Gerald Repecka was read to the Council, resigning his position as Development Control Officer with the County.

Resignation accepted with regret.

Mr. Brian Hunt from Mutual Life Insurance Co. was present at the meeting and presented to Council a plan providing Life and Death & Dismemberment insurance benefits to public works employees. He was advised to contact the Employees Association in this regard.

It was agreed that Mr. Allan Althelm be appointed as Development Control Officer at an annual salary of \$6,500.00 effective April 1, 1971 to be reviewed after six months.

It was agreed to call for applications for the position of Assistant Development Control Officer with starting salary to be \$6,000.00 per annum.

PROPOSED RAILROAD CROSSING

Letter dated March 22, 1971 from the Department of Highways and Transport was presented to the Council advising that the Canadian Transport Commission will not contribute towards the construction of the proposed overpass on this crossing. It was suggested that the right-of-way on this alignment be acquired and application made for a level crossing at this location since the Department of Highways and Transport is planning to request an overpass again some time in the future.

This matter was tabled until the next meeting.

Letter dated March 25, 1971 from the Swiss Valley Ski Area Co-operative was presented to the Council requesting improvement of the roads into the ski area located on the NW 27-53-1-5.

This matter was referred to the Public Works Committee for inspection of the roads.

By-Law No. 38-70 providing for the closing and leasing of the road allowance adjacent to the south boundary of Section 29 and the SE 1/4-30-50-4-5 received third reading and finally passed by unanimous consent of the Councillors present.

Letter dated March 18, 1971 from Mr. Lawrence Enge of Falis was presented to the Council offering to purchase a three acre parcel of land with improvements in the SE 1-53-6-5 for the sum of \$900.00.

It was agreed to not accept this offer and to notify the owner of possible sale of the property by tender at a later date.

The equalized assessment of \$51,594,470.00 as set by the Assessment Equalization Board for the year 1971 was accepted.

Mr. Syd Moore, Parkland Regional Recreation Superintendent was present at the meeting and presented the proposed budget of the Parkland Regional Recreation Council for the year 1971. The

budget was based upon payment of 1.5 mills levied on the equalized assessment by all the participating municipalities. The budget was approved as presented.

Resolution dated March 17, 1971 signed by the members of the Stony Plain Ministerial was presented to Council requesting that Sunday sports be not commenced until after 1:30 p.m. This request was received for information.

The following requisitions for the year 1971 were accepted.

Edmonton Area Industrial Development Association - \$2,192.80; Stony Plain-Lac Ste. Anne Health Unit - \$37,625.20; Edson Health Unit - \$9,758.78; Edmonton District Emergency Measures Organization \$268.08; and School Foundation Program - \$1,547,834.

The minutes of the annual meeting of ratepayers held on Saturday, March 20, 1971 were presented to Council.

The minutes were received for information and ordered filed subject to correction of item regarding assessment presently under appeal by Inland Cement. Details concerning the appeal were supplied by secretary-treasurer, O. W. Schuster and not by Mr. Miller as written in the minutes.

It was agreed that letters of appreciation be written to Mr. Morris McCullagh and Mrs. Edith Ferrier for serving as Chairman and Secretary, respectively, at the last annual meeting of ratepayers.

It was agreed that the next regular meeting of the Council be held on Tuesday, April 27, 1971 as Monday, April 26, 1971 is the date of the quarterly meeting of the Edmonton Union of Municipal Districts and Counties.

Notice received from the Chief Provincial Assessor that the Annual Conference of the Alberta Assessors' Association is being held in Red Deer on April 14th to 16th, 1971.

It was agreed that all the County Assessors, namely Kenneth R. King, George Mailer and Jim Hillman be authorized to attend this conference with expenses paid at regular County rates.

The meeting adjourned at 5:00 p.m. Monday and reconvened on Tuesday, April 13th at 2:10 p.m.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, George Mann and Ivan Vow.

The Parkland Regional Recreation Superintendent has requested that a sink be installed in the crafts room of the Parkland Regional Recreation Office. The approximate cost of the installation is estimated at \$300.00 and this amount is to be repaid by the Regional Recreation Council at 10% annually over a 10 year period.

It was agreed that authorization to this request be given.

By-Law No. 11-71 to approve an agreement with the Town of Spruce Grove and the Town of Stony Plain for the joint construction, ownership, maintenance and operation of a water transmission line from the City of Edmonton to the Town of Stony Plain received third reading and finally passed by unanimous consent of the Councillors present.

By-Law No. 12-71 authorizing the Towns of Stony Plain and Spruce Grove along with the County to acquire such right-of-way within the County and carry on such expropriation proceedings as may be necessary within the County as may be necessary for the construction, ownership, maintenance, operation or use of a water transmission line received three readings and finally passed by unanimous consent of the Councillors present.

Councillor Roy Lent arrived at the meeting at this time.

Public works manager, Kent Craig and County Police Chief Jim Kelly were present at the meeting for the purpose of discussing road ban policy.

The following employees were authorized to issue and sign special road ban permits: Kent Craig, Public Works Manager; Edward G. Webber, Area Foreman; Robert Pezzot, Area Foreman; and Victor Getzinger, Public Works Accountant.

Letter dated April 7, 1971 from the Department of Highways and Transport was presented to the Council advising that the Department is prepared to pay the cost of constructing a sidewalk on the east side of Highway 31 from second street to fifth street in the village of Seba Beach to provide

ENTWISTLE NEWS

Recent visitors at the home of Mr. and Mrs. Rick Harrison were Rick's parents, Mr. and Mrs. Bert Harrison of Owen Sound, Ontario; Mr. and Mrs. Jim Emery of Lethbridge and Mr. and Mrs. Barry Harrison and new son of Claresholm.

Twelve local Scouts and their leaders spent Friday and Saturday April 16th and 17 at Ernest Poole Scout Camp at Wabamun. Those ones on the outing were: Tim Aspeslet, Ricky Marion, Darrell Gylander, Leonard Darleyson, Cliff Cameron, Aaron Thomeus, Raymond Nobert, Ricky Anderson, Ricky Gale, Peter Hampton, Clive Hampton, Jerry Treit and the Scout Leader, Jack Cameron. From all reports they had a very

enjoyable weekend.

Mr. and Mrs. Fred Harris and Mr. and Mrs. George Hamar attended the graduation exercises of the 1971 class at which Linda Congo graduated on April 17th at Sexsmith, Alberta. The whole program was very enjoyable. Congratulations, Linda.

The Entwistle Curling Club will hold an Auction Sale on May 7th and anyone having saleable things get in touch with Lil Hanson or Meg Swinnerton.

Jean and Jim Coull and Leanne of Edmonton were at the Robert Brown home during the Easter holidays.

Mr. Emie Brown is in the General Hospital in Edmonton and we all hope he will soon be well and home again.

Harold Oliver spent the weekend skiing at Jasper with some friends.

The Community League Bingos have been changed to the 1st and 3rd Wednesdays of each month - Note Wednesday.

The Entwistle Curling Club Bingos are held on the 2nd and 4th Sundays of each month.

Dana Lynn and Grant Robinson of Sherwood Park spent the Easter holidays with their grandparents Med and Jack Swinnerton.

Mrs. Olive Goebel is staying in Edmonton with another daughter for awhile.

The O.O.R.P. Bingo will be held on Thursday, April 29th in the Elks Hall and the Elks Bingo will be held on May 14th. Both of these bingos will start at 8:00 p.m.

Tomahawk 4-H Club Plans Trip

The regular meeting of the Tomahawk 4-H Beef Club was held on April 13th at the home of Mr. Charlie Zanders.

The roll call was answered by "My Quiz Score".

Topics of interest discussed at the meeting were the calf tour and the club outing. The calf tour will be held on April 24th and will start at 12:30 p.m. at Mr. Zander's.

It was decided the club would go to Miette on Farmer's Day weekend this year for the club outing.

A delicious lunch was served at the end of the meeting by Mrs. Zander and Mrs. Strocher.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending April 24, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	7200	5475	1725	4400	32
Last Week	5579	4486	1093	3938	52
Same Week (1970)	6847	5388	1459	4484	50

SUMMARY

Cattle and calf receipts higher under fine spring weather conditions. Offerings were approximate-

ly 75% replacement classes. Trade moderately active. Slaughter prices for steers and heifers gener-

ally 75 lower. Butcher cows mostly 1.00 lower. Bulls firm. Veal 5.00 lower. Most replacement prices unchanged, light weights strong to higher.

SLAUGHTER CATTLE AND CALVES

Offerings of top quality handy-weight steers and heifers were in limited supply this week. There were more lighter weights in the 950# and under range which sold under discounts to a lower demand. Medium quality butcher steers and heifers continued slow this week under discounts. Butcher steers opened under pressure 25 lower with the odd sale to 33.00 and continued under pressure for the week to close at a practical top of 32.50 with the odd sale higher for top conditioned clean handy weights. Butcher heifers were in fair supply, early opening prices about steady with sales to 31.80. By mid-week they were off a full 75 cents to close at a practical top of 31.00 for the quality on offer in the closing rounds. All grades of butcher cows sold generally steady Monday and Tuesday but were sharply off at mid-week at prices 1.00 lower. Good cows were selling at a practical top of 22.00 with odd sales to 22.50 as the week closed. Bulls firm, sales to 26.00 for good export kinds. Light veal calves about about \$5.00 lower for the week.

REPLACEMENT CATTLE AND CALVES

Replacement trade was generally steady throughout the week. Good green replacement cattle and calves were in short supply selling high in quotations under a good demand. Lighter weight good stock steer calves 250# and under were selling in the 60.00 to 75.00 price range.

SHIPMENTS
Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - nil; West to B. C. - 41 slaughter; Export - 22. Feeders to southern Alberta areas - 795 cattle and calves.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Steers: Choice 32 - 32.50, odd sale higher, good 31 - 31.75, medium 27 - 28.50.

Heifers: Choice 30.25 - 31, good 29.50 - 30.25, medium 27 - 28.

Heifers: Choice 30.25 - 31, good 29.50 - 30.25, medium 27 - 28.

Cows: Good 21.50 - 22, sales to 22.50, medium 20 - 21, canners and cutters 17.50 - 19, shells 16 - 17.

Bulls: Good 23.50 - 25.50, sales to 26.

REPLACEMENT CATTLE AND CALVES

Good feeder steers (575 - 750 lbs.) 33 - 36, (750 lbs. & up) 30 - 33.50, common to medium 26 - 32.

Good feeder heifers (575 lbs. & up) 28 - 31, common to medium 24 - 27.

Stock cows 18 - 24.
Good stock steer calves (250 - 400 lbs.) 42 - 50, (400 - 550 lbs.) 35 - 42, common to medium 30 - 38.

Good to choice veal (250 lbs. & under) 45 - 50.

Good to choice butcher calves (300 - 450 lbs.) 35 - 45, (450 lbs. & up) 28 - 32.

HOGS

Edmonton Stockyard (E.S.Y.) butcher hogs sold 50 - 1.00 lower this week ranging from 18.30 - 19.35 base price. Sows 13.15 - 13.35 dr. wt. Boars \$2.00 - 8.50 cwt., depending on weight and quality. 1250 feeder hogs sold Tuesday and Thursday at prices ranging from 16.50/cwt. for 100# feeders down to 13.00/cwt. for 150# feeders. Weaners and light feeders sold by the head from 8.00 each for weaners to \$14.25 each for 80# feeders.

SHEEP AND LAMBS

No butcher lamb price established this week.

QUOTATIONS FROM SELECTED MARKETS

Thursday, April 22, 1971 -

Toronto: Choice steers 34 - 35 --

35.40, Winnipeg -- 32 - 33.

Calgary: 32.25 - 32.60.

Tuesday, April 20, 1971 -

Omaha: High choice steers 32.85 - 33.25. - Hogs 17.25/cwt. live.

The December 1, 1970 Cattle-on-Farms survey show beef cow number of Canada are up 6 percent and beef heifers up 17 percent. Steer numbers decreased by 1 percent.

Pollution Project

Allison Smale, 10, a Drayton Valley Elementary School student, is shown above with a truckload of bottles gathered mainly within the town boundaries as a private pollution control project. Allison was assisted in the project by Donna May Fertig, also an Elementary School student, who was not available for the photo Saturday. The two girls gathered bottles for several months, but gave up counting after they reached 700. The project was on its way to the nuisance grounds when the picture was taken.

EVANSBURG AREA NEWS

PARKCOURT NEWS

The Easter party for the children was held in the hall on Wednesday afternoon. It was a beautiful day and a very good crowd turned out to enjoy the party which was sponsored by the Gay Gatherers and planned by a number of older girls. A great variety of games were enjoyed by all. Easter baskets were distributed to all and a delicious lunch served to close the afternoon.

We are sorry to hear that Robert Greenwood had the misfortune to break his hand and due to his accident his mother came out from the city to stay with him for awhile.

Mr. and Mrs. Kurt Fausak spent Friday visiting in Edmonton and Don stayed in for a weekend holiday.

The Iwaschuks spent part of the vacation time holidaying in Saskatchewan.

Mrs. J. Brunet had a pleasant surprise when her sister from Winnipeg dropped in for a short visit on her way to the coast.

Mrs. Clifford Marchand paid a brief visit to the Marchand home.

Nearly all the ladies of the district are now employed at the business of raising baby chicks. The chicks are starting to run and everyone is hopefully watching for the last of the white stuff to disappear.

The Social evening was held at the hall on Saturday night. Partners for the events of the evening were chosen by pairing numbers at the door. When everyone had found their partner the games of chance and skill got underway. First prize winners were Marjorie Rosaduk and Jerry Weigle; second prize winners were Ricky Marchand and Don Fausak; and consolation went to Darin Prylowski and Geneve Fausak.

Mrs. Otto Weist spent most of Easter week visiting her parents in Seattle.

Meeting Discusses School Topics

Education in the Yellowhead School Division was the subject of a meeting attended by about 80 people in the Evansburg High School Auditorium on Wednesday, April 21st.

In late autumn of 1970, the board of the Yellowhead School Division commissioned three consultants to undertake a study of the division and to make recommendations which could be used by the board and staff to guide future planning.

The three consultants were Dr. Erwin Miklos, Dr. Ernie Ingram and Dr. Gordon McIntosh, all of Edmonton, who were present for the Evansburg meeting.

It was felt at the outset of the program that the study would be effective and useful only to the extent that the views and advice of people in the division could be

heard. For this purpose a decision was made to have a preliminary report presented to town meetings at five centres in the division -- including the Evansburg meeting.

Five issues were presented to the meeting and discussed using background material then alternative approaches outlined. The commission sought the views of all residents as well as Reaction Panels selected for the meeting.

Members of the panel were Mr. John Keast, School Principal; Mrs. Rae Weist, Teacher; Mr. Guy Dompnier, representing parents; and Byron Brown and Karen Tufty representing the student body.

Areas discussed included: staffing strategies, the role of the teacher; consultant services; diversification of the school program; and school-community interrelationships.

EVANSBURG NEWS

Mr. and Mrs. Harold Beynon motored to Victoria, B. C. to visit their son Terry and family. Terry is stationed with the R.C.M.P. in Victoria.

Mr. and Mrs. Leo Bauer of Breton accompanied them and stopped off at Chilliwack to visit their son.

The Keep-Fit class has been very successful and will continue for another four weeks. Classes are held Monday nights at 8:00 p.m. in the High School Auditorium.

Members of the Legion and Auxiliary motored to Edmonton April 17th to attend the mixed district rally. They report having an interesting meeting a lovely banquet and social evening.

The community wishes Gary and Donna Mae Mitchell every success on their new business venture. They are building a drive-in dairy bar on Highway 16 and are planning to call it The Snack Shack. They expect to be open for business some time in May. Lots of Luck.

Belated congratulations go to Mrs. Marie Nagy on the birth of her first grandchild (a girl) born on Easter Sunday.

Seen around town this week were Mr. and Mrs. John Schroder of Edmonton, son of Mrs. Frank Schroder.

RENO NEWS

The Reno Society has applied for an \$800 grant from the government so that the necessary improvements to the hall can be made. A fund-raising dance was held last Friday. There was a good crowd despite the short notice given.

The Kochansky's of Entwistle supplied the music accompanied by Reno talent: Albert Morosse on the banjo, and Lorrie Kozak on the guitar. Some of the out-of-district people attending were: Mr. and Mrs. Jim Robinson of Brightwood, Calvin and Norma Zavarucka of Robb, Lorne and Florrie Andersen of Evansburg, Mr. and Mrs. Harvey Tuttle, Evansburg, Mr. and Mrs. Pete Pawliw, Evansburg, and Mr. and Mrs. Raymond Cardinal.

Karl Kobel is visiting in Germany. Joe Tudge is doing chores while Karl is away. Other district people who have recently visited the old country are: Mrs. Gus Richter to Germany and Mrs. A. Raybold to the Ukraine.

Ed Smith of Parkcourt is renting the Jawazko farm. Ann and Stan Jawazko were out from Edmonton to see the farm and to visit in the district.

Wilf Morosse's boys, Kim and Shane, rode their bikes from Edmonton to their uncle Albert's farm in the Easter holidays.

Ed Kaslauskas is back from Red Earth where he has been working all winter.

Steve Tenzer is having a dug-out made for his cattle.

Bob Jensen of Edmonton was visiting his parents Mr. and Mrs. Anton Jensen over the Easter weekend.

Edmonton Boy Scouts had their Easter camporee on the Pahud farm by the river. We heard that they had considerable difficulty making it back up the hill and only made it after the assistance of neighboring farmers.

A number of district farmers have joined the National Farmer's Union.

A.M.A. Offers Tire Advice

The Alberta Motor Association advises owners of recreational vehicles to make sure their tires are properly inflated for the load carried before setting out on that spring vacation trip.

The most frequent causes of excessive heat build-up, which reduces tire strength and increases the risk of premature tire failure, are under-inflation and over-loading. The Tire Industry Safety Council says that pressures should always be checked before starting out on a trip, when the tires are cool.

The A.M.A. also points out that loads should be properly equalized to make driving easier and reduce uneven tread wear, and that loads should always be properly secured.

Evansburg C.W.L. Elects Officers

The April meeting of the Evansburg C.W.L. was attended by nine members. Executive members for the ensuing year will be officially installed on Wednesday, May 12; they are, President, Mrs. R. Cumming; Secretary, Mrs. J. Lauer; 1st Vice-President, Mrs. G. Dompnier; 2nd Vice-President, Mrs. G. Williams; and Treasurer, Mrs. R. Marcotte. Convenors were also appointed for the year.

On Saturday evening May 8th the Sacrament of Confirmation will be administered to the children of the parish and any adults who have not as yet received this Sacrament. The children who are presently in grade four and up may receive this Sacrament. Parents are asked to get in touch with their parish priest if any information is required.

Anyone wishing to donate used clothing or what have you to the Marion Centre may do so by contacting Mrs. G. Williams or deliver the articles to her home.

General house cleaning of the rectory and the church will begin on April 27 - 28 - 29. A lot of help is needed so please be there.

The annual National Convention will be held at Camrose April 20, May 1st and May 2nd. Mrs. R. Marshall will be attending as representative of the Saint Elizabeth Council of Evansburg.

BREED SHOWS PROMISE

A new strain of egg laying poultry, known as the "Sykes White" is said to have given 5 to 10 percent more eggs of the extra large grade in British trials and to have a carcass weight of 4.0 - 4.4 pounds at disposal time. The new strain has been developed by Sykes International Ltd., after six years of intensive research from a pure White Leghorn strain cross.

Liquor Store Break-in Fails

On arriving at work at the Alberta Liquor Store Tuesday morning, Store Manager Mr. Dennis Bowers noticed a break-in was attempted some time during the night. The would-be thieves used an accetylene torch to attempt to cut through the back door.

It is thought the would-be thieves were either disturbed at their work or they ran out of accetylene as the tanks and tools were left at the scene of the crime.

The incident was investigated by the Evansburg R.C.M.P. Detachment.

CLEANING BEE AT PARKCOURT

The Gay Gatherers held a cleaning bee at the hall on Friday afternoon and due to their efforts the hall looks a lot better.

RECREATION ROUND-UP

BASEBALL SOON

The Drayton Valley Athletic Association Minor Baseball program is progressing favorably. A meeting was held on Thursday, April 22 to finalize some plans for Minor Baseball in 1971. It would seem at this writing that we will have five Mosquito league teams playing in a Community League. We will also have four Beaver teams forming a Community League at that level as well as one Beaver team representing Drayton Valley in the Oilfield Minor Baseball League. One Bantam and one Midget team will also be competing in the Oilfield League while the other Bantam team playing out of Drayton Valley will be in the Parkland Baseball Association.

Some new names as well as some revision in rules and regulations have been introduced into Minor Baseball by the Alberta Baseball Association. Briefly here are the names and the rules and regulations covering each division

Mosquito -- This replaces the old Mite division and in our league will take in boys from seven to nine years of age inclusive. That is those who do not reach their tenth birthday before January 1st, 1971. The diamond consists of 60 foot bases and 46 foot pitching distance. Games are of five innings duration. Base runner shall not leave a base until the delivered ball has reached the batter and the batter is automatically out whether the third strike is caught or not. It goes without saying that metal cleats or spikes are illegal equipment in this league.

Beaver -- Replacing the disbanded Little Canadian and Pee Wee divisions, this league will serve boys from ten to twelve years of age. That is boys who do not reach their thirteenth birthday before January 1st, 1971. In this league bases are 65 feet and the pitching distance is 48 feet. Base runners shall not leave their bases until the ball has left the pitcher's hand and a batter may run on a missed third strike. Shoes with metal cleats or spikes are prohibited, however, moulded rubber cleats on running shoes are permitted. All games are of seven inning duration, however, this may be cut to five innings on a mutual agreement in the Community League. There are detailed rules governing pitching and other phases of a game which we will not go into here. New rule books will be available from the A.B.A. very shortly and will be available at the Recreation Office

Bantam -- This division remains almost constant from last year. Bases are 75 feet with a 54 foot pitching distance. Official baseball rules apply to base running and games are of seven inning duration. Metal cleats or spikes may be used. This division covers the twelve to fourteen age group or those who do not reach their fifteenth birthday prior to January 1st, 1971.

Midget -- For boys fourteen to sixteen or those who have not reached their seventeenth birthday before January 1st, 1971. Official baseball rules apply to this division with exceptions in some details of the game.

It would seem that we are on our way to one of the best baseball and softball seasons in several years here in Drayton Valley. However, the cost of this program is quite prohibitive. This is a renewal year as far as equipment, uniforms and supplies are concerned. Equipment and supplies for this program will reach well over \$1000.00 while the purchase of new uniforms for baseball alone will reach in the vicinity of \$1700.00. The Athletic Association is looking at an expenditure of \$2700.00 for baseball in 1971. Sponsorships from local concerns have been obtained to cover the purchase of uniforms for several of the teams. At the Mite level, The Bay, the Drayton Valley Hotel Cafe, Drayton Valley Rex-all Drugs and Northern Video Sales are sponsoring teams. Dial Oil Field Services Ltd. is sponsoring the travelling team in the Beaver League while Blocks Foods and the Coin Electric Home Centre are sponsors for two of the Beaver teams in the Community

League. M. & R. Trucking Ltd. is sponsoring the Bantam team competing in the Oilfield League. To one and all of those sponsors the Drayton Valley Athletic Association wish to express their sincere appreciation. Without their help the 1971 baseball program could not have been planned on this scale.

Coaches and team Managers have been selected for most of the teams. Hermon Sommers and Reg Knapp will coach the Midget team while Tom Hutton will be the team Manager. At the Bantam level John Oman will coach the Oilfield League team assisted by Don Compton. Fred Duckett will coach the Bantam team going into the Parkland League. Richard McDonald will coach the Beaver team in the Oilfield League while Gordie Snider, Joe Roberge, Glen Nash, Bernie Kropp have indicated that they will coach at the Beaver level in the Community League. Coaches have not been finalized for the Mosquito programs as yet and umpires are required. The program co-ordinator for Minor Baseball is Hill Innis. If you are interested in helping out at any level or with the program in any way contact Mr. Innis, or the Recreation Office. We still need several people if this program is to progress smoothly and successfully. Mrs. Myrna Townsend has agreed to act as statistician for the Community Leagues and Mrs. Snider and Mrs. Kobernick have volunteered to act as scorekeepers. Those people will be needing lots of help also.

Closeout date for registrations is May 3rd, 1971. Practice sessions for all levels will begin during the first week in May. All participants will be notified through their respective schools. Registration forms are available at the Recreation Office and through the schools. Register now and don't be disappointed. We want you to play baseball in our program this summer.

SOFTBALL MEETING

A meeting of all persons interested in the Girls' Softball program in Drayton Valley this year will be held in the Recreation Office on Tuesday night, April 27, at

8:00 p.m.

If there is a revival in baseball this year, softball is also a sport to be taken seriously. To date the registrations for girls' softball is on a par if not greater than those received for boys baseball.

Tuesday night's meeting will involve laying the basic plans for this summer's girls' softball program. We will try to determine the number of teams and the leagues which will be in operation. At this time it would seem that this program will offer softball to girls from 8 to 18 years of age.

Help is needed in this program. If you are interested please plan to attend Tuesday's meeting.

SEWING CLASSES:

Will be held every Tuesday and Thursday at 7:00 - 9:00 p.m. in the Home Economic room. This is the last class that will be held until September, there is still room for a few more to join, so if you are interested attend Tuesday night. The fee is \$8.00.

ADULT BADMINTON

Monday, April 26th was the last night of badminton for the year, if there is interest shown again in the fall, it will start up again.

Moon Lake Club Meets

The April meeting of the Moon Lake 4-H Beef Club was held on Tuesday, April 13th in the Moon Lake Community Hall.

It was decided the calf tour would be held on Sunday, May 2nd at 1:00 o'clock.

Casey Lysak presented an interesting talk on "How to Break a Calf to Lead".

Following adjournment Mrs. Kapteyn and Mrs. Hansen served a delicious lunch.

WEDNESDAY, MAY 5, 1971

From 2:00 to 4:00 p.m. in the
COUNCIL CHAMBERS

All children who will be 5 years old by February 28, 1972 are eligible for kindergarten.

REGISTRATION FEE: \$1.00

COUNTY OF PARKLAND No. 31

PUBLIC NOTICE LEASE OF LANDS

Offers will be accepted in the form of Sealed Tenders, by the undersigned, up to 1:00 p.m., Monday, May 10, 1971 for the leasing of the following lands:-

E½ 19-53-3-5 (311.67 Acres)

CONDITIONS OF LEASE AND TERMS OF PAYMENT --

1. The lease will be on an annual, renewable basis and cancellation may be effected by either the County or the lessee on the anniversary date of the lease, upon 90 days written notice prior to expiration.
2. Payment must be made annually in advance.
3. The County reserves the right to enter upon the lands at any time to explore for, process and remove gravel without interference by the lessee.
4. Any structures, including fences, placed upon the lands by the lessee may be removed upon termination of the lease and no improvements will be compensated for by the County.
5. The highest or any tender will not necessarily be accepted.

O. W. SCHUSTER
Secretary-Treasurer
County of Parkland No. 31

Members of the Drayton Valley ballet class who passed recent examinations are shown in the photos above. Top, from the left, Sandra Shimbashi, Rhobin Shimbashi, Irene Rolf, Elizabeth-Ann Leisw, Michaelle Shimbashi, Katherine Pederson and Susan Mulgrew. Deborah Palmer is missing from the picture. Lower photo, from the left, Cheryl Vatter, Kerri Turner, Carmen Pohling and Deborah Morgan. Susan Pederson is missing from the photo.

Students Pass Ballet Exams

Following are the ballet examination results achieved by Drayton Valley candidates on April 1st. The examiner was Miss Maureen Gardiner, London, England, children's examiner for the Royal Academy of Dancing.

Grade II Highly Commended - Irene Rolf, Michaelle Shimbashi. Commended - Susan Mulgrew, Katherine Pederson, Rhobin Shimbashi. Pass Plus - Elizabeth-Ann Lewis, Deborah Palmer, Sandra Shimbashi.

Primary: Honors - Kerri Turner. Commended - Deborah Morgan, Susan Pederson, Carmen Pohling, Cheryl Vatter.

The dancers are all students of Muriel Taylor, Edmonton, who is conducting classes in both Tap and Ballet for the Drayton Valley School of Dancing.

The school plans to hold a demonstration of the children's work including the pre-school class, beginners, progressing through second and third year work in both fields of tap and ballet.

The demonstration will be held in St. Anthony's School Friday, May 14th at 7 p.m. and will be open to parents, friends and all interested persons.

Big Winner at Breton Bingo

BRETON - The Bingo Queen honors, when all your winnings are doubled, went to Mrs. Gunnar Hanson of Breton, on Tuesday April 20th at the Elks Bingo. Mrs. Mary McGhie of Breton reduced the prize supply by \$125.00 on her portion of the winnings.

Double winners were: Mrs. Pajak, Drayton Valley, Mr. Schemanski of Thorsby; Mr. Rooney of Edmonton and Mrs. Bredin of Warburg.

To Attend Conference

About fifty Jehovah's Witnesses from Drayton Valley are making preliminary arrangements to attend a three-day training program in practical Christianity at Edmonton, it was announced last week.

Mr. Ken Hayhurst, presiding minister of the group, in discussing the announcement, pointed to the value of Christian guidance in giving meaning and happiness to life.

Slated for April 30, May 1st and 2nd, at the Ross Sheppard High School in Edmonton, some 1000 delegates are expected to attend from fifteen congregations in North Western Alberta.

Mr. Hayhurst will supervise the "Volunteer Service" department which will co-ordinate the activities of about 250 delegates expected to work in the twenty different departments before or during the convention.

The climax of the program comes on Sunday, May 2nd, at 2:00 p.m., with a special public discourse by D. G. Clegg of Toronto on the subject, "What is Behind the Spirit of Rebellion?"

BRIGHTWOOD NEWS

Mr. and Mrs. Gordon McEachern will be celebrating their 38th wedding anniversary on April 26th. Mrs. McEachern will be visiting with her daughter, Dale Fuller, in Edmonton this week. The ladies will be sewing their outfits and preparing for the wedding of a friend who is to be married on May 1st.

The Robinson and Leland's attended the dance at Reno Hall last Friday.

We purchased some Rouen ducks from the hatchery last year and we

were surprised to find that they closely resembled the wild mallard. The Rouens prefer to swim in a pond by the road where they have been joined by several wild ducks. To our dismay the ducks have been cross-mating. I hope there will be no young'uns too heavy to fly south this fall or any of our ducks attempting to join their wild brothers when they hear the call of the wild.

I've been talking to an old timer who has some 60 years of stories to tell of old Brightwood when it was a much livelier place. I hope to be able to re-capture some of those almost forgotten stories for you in this column.

Quality Products and Patronage Dividends Are TWO Good Reasons for Using UFA Petroleum Service

... AND HERE'S ANOTHER:

R. C. JORGENSEN
DRAYTON VALLEY

Add the personal service of your local UFA agent to the fine quality of products and the extra savings of patronage dividends — and you've got a winner! No doubt about it: UFA is where you can count on prompt deliveries, good advice, top-of-the-line products... and the kind of savings you appreciate!

UNITED

FARMERS

Last year farmers who bought petroleum through UFA earned the highest patronage dividend ever — 13.4 per cent!

4-H Clubs Hold Speaking Contest

On Tuesday, March 30th the Moon Lake and Tomahawk Beef Clubs held their club speak-offs in the Moon Lake Hall.

The program opened with Moon Lake club leader Mr. Norman Johnson introducing the judges, timekeeper and Master of Ceremonies.

The judges were: Mr. Brian Ganske, Mrs. Zeta McRae, and Mr. Don Gylander. Timekeeper was Mr. Raymond Tufty and Mrs. Gordon Riech. A club member from Tomahawk, was Master of Ceremonies.

After all 14 members had spoken the mothers of the Moon Lake members served a delicious lunch while the judges picked two winners from each club.

First place in the Tomahawk Club went to Linda Piskunowicz talking on motivation while second went to Kathy Goertz talking on poverty.

First place in the Moon Lake Club went to Ralph Johnson talking on superstition while second went to Glenn Johnson talking on What is a Ranger.

Gifts were then presented to all speakers, judges and the timekeeper.

The evening closed with the Tomahawk club leader Mr. Dave Case saying a few words of thanks to the judges, timekeeper and Moon Lake Club for a job well done.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Last week saw the registration of beginners for next year's classes. If your child has not already been registered would you do so at your earliest opportunity. The school must make plans for proper staffing. To date eighty beginners have been registered. This is comparable to last year's total, however when school began in the fall, enough unregistered students showed up to make a whole new class. It is very necessary for us to know how many there will be, as classroom space is at a premium. The school number is 542-3544.

BUCK LAKE NEWS

Many happy returns of the day to Mr. Phil Wennerstrom on his birthday, April 20.

Glad to see that Barbara McLeod is out of hospital where she spent the past week (Drayton Valley).

Rudy and Vera Brzus and family had her parents, Mr. and Mrs. Eastwood of Ponoka as Easter Sunday guests. They were all invited to Mr. and Mrs. Leon Brzus' for Sunday dinner.

Miss Carol Siegel, of Calgary was out to spend several days at her parents, Mr. and Mrs. Gilbert Siegel, during the Easter holiday.

Easter guests at the home of Mr. and Mrs. Nick Paananen were her brother Mr. and Mrs. William Flickman and family, of Brightview district and Mr. Jack Walker, of Buck Lake.

George Foster took Mr. and Mrs. Melvay Seely to Hinton to visit her parents for a couple of days recently.

Rudy Lowe will be staying for a while with her Grandparents, Wilf and Madeline Prefontaine and Uncle Larry. Mom and Dad (Norman and Lucy) and little brothers Glen and Tommy returned home to Keg River on Monday morning.

Birthday greetings to Darcy Dawson on Sunday, April 18th - Karen Brzus and Irvin Bouck on April 24th. Darcy and Irvin were both eight years old.

Congratulations to Paul and Trudy Huckerby on their 4th anniversary, April 8th. Another couple who celebrated their anniversary on April 8th was Dennis and Velma Miller. Many more happy years.

Paul and Trudy Huckerby and family and Rebecca Dawson returned to Rainbow Lake by plane Tuesday, April 13th.

Thursday evening, April 15th a Record Hop for the younger dancers was held at the Recreation Centre, with over forty children, and several mothers in attendance. Prizes were given for spot dances, etc., and a very good time was had by all those present.

Sig Larssen and family were in Edmonton on Thursday.

Clare and Rita Parker motored to the Mountaineer Lodge west of Sundre on Monday to visit their daughter Mary, who is employed there.

Congratulations to Clare and Rita Parker on their 21st wedding anniversary which was celebrated Wednesday, April 14th.

Art Larssen was out to visit his father and brother, Ejnar and Raymond, during the Easter vacation.

Mr. Ronald Frickie, of Alder Flats, passed away Easter Sunday evening, April 11th after a very lengthy illness. Funeral services were held at the Alder Flats Hall, Thursday, April 15th with interment at Siegel Hill Cemetery. Reverend C. Alvin Johnson officiated. Sincere sympathy of the district to Mrs. Louise Frickie and family.

Grades 7 and 8 students from Buck Lake were taken to Edmonton on a school trip Friday, April 16. They visited the Museum, the City Post Office, a Police Show at one of the Department Stores, McGavin's Bakery, and Edmonton Journal. Pat Patten took them in with his bus.

Congratulations are extended to Mr. and Mrs. Morris Trusett (nee Helen Poszgal) on the occasion of their 1st wedding anniversary, Saturday, April 24th.

Ken Krysta of Lloydminster, Alberta was a weekend guest at the home of his cousin and family, Ron Krystas', this past weekend.

Ron Krysta had the honor of having his name placed on the Interclub Trophy, when he and his team-mates won the Interclub Bonspiel. The team consisted of the following: Ron Krysta, skip; his wife Lynda Krysta, 3rd; his father Stan Krysta, 2nd; and Fred Drader (of Draders, Ltd.), Lead. Congratulations.

Mr. Bill McFarlane, who has been in Edmonton all winter, is presently staying at the farm of the late Mr. Frank Marshall, looking after things while Marion McKay is in Edmonton. She is expected to return in about a week.

Easter visitors at Chester and Polly Sudy's were her sister and a friend from Edmonton.

WHO'S NEW

April 22 - Clark, Mrs. Edward (Doreen), Entwistle, girl, 6 lbs. 13 ozs., 3100 grams.
 April 23 - Wiggins, Mrs. Donald (Gladys), Drayton Valley, boy, 6 lbs., 2720 grams.
 April 23 - Badick, Mrs. Dick, (Leona), Drayton Valley, girl, 6 lbs. 12 ozs., 3070 grams.
 April 24 - Barrows, Mrs. Gordon, (Kathy), Drayton Valley, girl, 6 lbs. 9 ozs., 2970 grams.

Oil Wives Hold Backwards Party

The April meeting of the Drayton Valley Oilwives was held in the Cardium Room with seventy-five members and eight guests present. Our special guest was Liz Johnson, Constitution Chairman of the Association Board.

The meeting was chaired by Carol Lawrence who was giving Donna Gawalko a night off. The club voted to send \$25. to the Association to assist the travel fund.

A float is to be designed for the coming rodeo parade in June. Mary Barker interviewed the executive as to the duties and activities of each one.

Liz Johnson spoke to us about her duties and told us some of the places she visits. She also informed us that the Oilwives Association awards a lifetime membership to an oilwife who has done outstanding work in Oilwives. If you know of anyone from our club or any other club please turn her name into the executive who will send it to the nomination chairman. This award is made at the convention.

April is International Night, reminding us that Oilwives Club's main purpose is to foster friendship.

For our evening's, entertainment we dressed backwards, ate our meal backwards, dessert first, main course of fried chicken last. We held a backward spelling-bee and held a contest in which we gave the question.

May is election month, so

please come and vote for your new executive.

The next executive meeting will be held at the home of Peggy Metcalf.

Appoint Census Commissioner

Local preparations are now underway for taking the Census on June 1st. Mr. A. Ustenov, Regional Director, D.B.S. has announced that the Honorable Jean-Luc Pepin, Minister of Trade and Commerce has approved the appointment of Mrs. Hazel L. Bolianatz of Lodgepole as Census Commissioner for the 1971 Census of Canada. This is for District 817-4 west of Drayton Valley to range 18 west of Rocky Mountain House and west of Sundre to the National Park boundary.

Several Jobs Ready for Ecology Corps Members

The Honourable J. Donovan Ross, Minister of Alberta Department of Lands and Forest announced last week that the Al-

WABAMUN NEWS

The sketching and painting lessons began on Tuesday, April 20th with Mrs. Nettie Warner as the art instructor. It was not too nice an evening but part of the sketching was held outside and part of it inside.

Mrs. Margaret Anderson and two sons Dusty and David were visitors at the Frank Anderson home for a few days last week.

Belated greetings go to Mrs. Wm. Foster and Mr. L. Anderson who celebrated their birthdays recently.

Mrs. George Stark and son Gerald George are home from the hospital.

Mrs. W. Hyde is visiting with her parents Mr. and Mrs. L. Stark at the present time.

A birthday dinner was held at the home of Mr. and Mrs. D.M. Roberts for their grandson Duane McCulloch on Sunday, April 18th, those present were Mr. and Mrs. Duane McCulloch, Mr. and Mrs. Don McCulloch and son David.

The ladies of the Wabamun United Church are going to hold a strawberry tea, bake sale and rummage sale on May 26th in the basement of the United Church, so ladies make sure you reserve this date.

Mrs. Helen Featherstone of Vermilion is in the district visiting with relatives and friends.

Mr. and Mrs. Herb Kipp of Westlock were visitors of Mr. and Mrs. Roberts on April 21st.

It is nice to know that there are some people who like to read the news enough to help their correspondent out by giving them the news every week that they think others might like to read. Thanks to those who have helped me out over the years that I have been at this job but with that others felt they had something of interest to put in the papers. Please phone 646-2214 if you have any items for me. Your help is greatly appreciated at any time.

berta Ecology Corps has been made a branch of the Department of Lands and Forests under the authority of Honourable Dr. J. Donovan Ross. An Executive Committee comprising representatives from various government departments will work under Dr. Ross's direction to achieve the goals of the Corps.

To date, a total of 423 jobs have been created for young people of the province who will be working on a number of projects connected with natural resources management and environmental improvement. The government has a commitment to provide 1,300 jobs under the program and projects will be evaluated by the committee until the total commitment has been fulfilled.

The Executive Committee will be accepting project proposals from municipal governments or volunteer non-profit organizations until April 30.

The young adults who will be doing the actual work are now being selected. They will all be

residents of Alberta, 18 years old or over, and are taking or have applied for Post-Secondary education. New job applications are no longer being accepted.

The Corps was selected on the basis of representation by population from all areas of the province.

To date the Executive Committee has approved projects such as erosion control and environmental research, recreation area and trail development, reforestation, stream improvement, wildlife habitat and movement studies, construction of Provincial Park facilities, and many other similar projects.

Any group or municipality that is planning suitable projects for the Alberta Ecology Corps is invited to forward details to W. D. Isbister in the Department of Municipal Affairs, Edmonton. Information regarding the program may be obtained from Mr. Lloyd de Vore at the Alberta Ecology Corps Office, Financial Building, Edmonton, Telephone 423-3267.

Wabamun W.I. Plans Spring Social Events

The Wabamun W. I. meeting was held at the home of Mrs. Frank Anderson on April 14th. There were 17 members and 5 visitors present. Two of the ladies joined a little later in the afternoon.

Mrs. Dalheim, the Constituency Convenor was the guest speaker. There was a general discussion on ways one could see that would strengthen and make the meetings more interesting, on judging of the handicraft. Whether the group were in favor of enlarging the constituency or leave it as is. All would like it to stay as is.

Mrs. Dalheim then passed around a questionnaire on the W. I. interest, which was very educational.

Plans were made to hold a shower for Miss Carol Powell whose marriage to Mr. J. Anderson will take place in May. It was decided to have the shower on May 2nd in the basement of the United Church in Wabamun at

2:00 p.m. Everyone is welcome.

The group made a donation to the Junior Forest Wardens and also to the Salvation Army.

Plans were also made to attend the conference at Sangudo on May 12th, Mrs. R. T. Ward volunteered to go as delegate.

The W. I. is sponsoring a card party to be held on April 27th in the basement of the United Church. The roll call was an article for the Women's Hostel in Edmonton. A lovely lunch was served by Mrs. F. Anderson and the co-hostess Mrs. D. Roberts. Mrs. L. Anderson was the winner of the tea prize.

Improved Windshields Reduce Injuries

The Alberta Motor Association reports that improved windshields required since January 1, 1968 by the U.S. federal motor vehicle standard are paying off in safety benefits.

The A.M.A. cites a recent Department of Transportation statement that the new high penetration resistant windshields, made of improved laminated safety glass, have reduced fatal and moderate injuries to front seat occupants of motor vehicles.

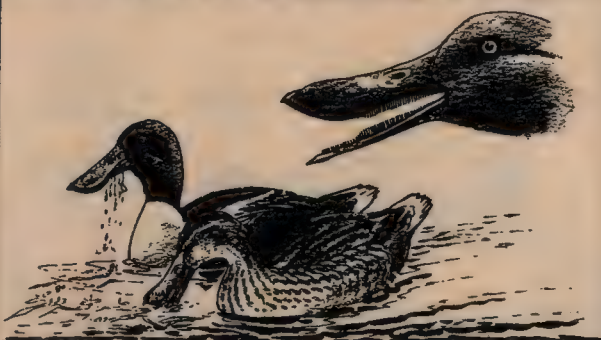

A survey involving both old and improved windshields and 3,500 drivers revealed that the new windshields reduced fatal head injuries by 32 per cent and dangerous injuries by some 67 per cent

Ducks Unlimited

SHOVELLER

Shoveller or spoonbill is a small, freshwater duck with a unique bill. This is large and broadly spatulate toward the tip, it is equipped with a fringe of comb-like lamellae along the edges of both upper and lower mandibles. These form an efficient strainer. Beakfuls of aquatic plant and animal life are "shovelled" from the water, strained by closing the bill and contents eaten.

35 - 70

Good Water Conditions Greet Returning Waterfowl

Good water conditions are again greeting waterfowl returning to the prairies to nest this year. Snowfall, average or better in most areas, plus a large carry-over of water from last year have combined to provide spring water conditions comparable to 1970.

Although still below full potential, there is significant improvement in southern Alberta, a problem area last year. Extreme southwestern Manitoba and southeastern Saskatchewan are the only real disappointments. Here, snowfall was extremely light and while most natural ponds contain water from last year there was insufficient spring replenishment to restore them to optimum levels.

Ducks and geese moved into the prairies in large numbers beginning the first week of April.

Alberta had a long hard winter with above-average snowfall. Spring came late through the central and northern areas and water conditions are excellent. Through the central part of the province the run-off is reported to be the heaviest since 1947. The thaw was considerably earlier in the south and the water situation is much improved over last year.

Serum Albumin -- This also is a protein substance and is used specifically to treat patient suffering from extensive burns or depletion of tissue liquids.

NOTICE

Change of Business Hours

As some of our customers change their hours of operation during the summer months, we find it necessary to change our store hours

EFFECTIVE SATURDAY, MAY 1st, 1971
MONDAY TO FRIDAY

Open 7:00 a.m. to 5:00 p.m.
and during the lunch hour

SATURDAYS

Open 7:00 a.m. until 12:00 noon

These hours will also be in effect for the Big Bend Express Depot at our store.

We hope this change of hours will not inconvenience any of our valued customers.

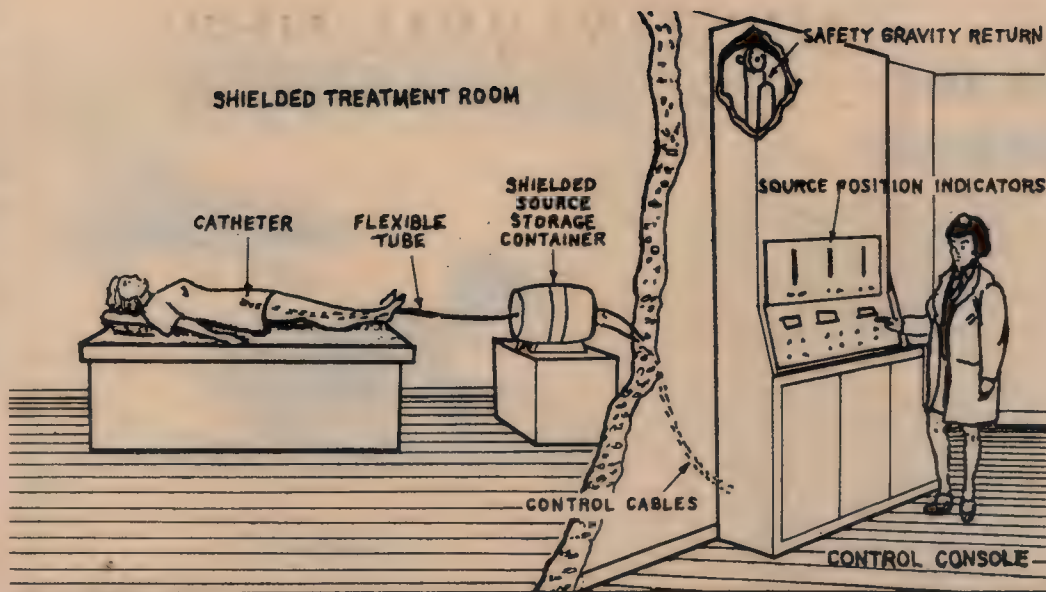

DEADLINES

The Western Review seeks the co-operation of advertisers and correspondents in our effort to make the paper a more effective vehicle throughout the area. By advancing our printing day from Wednesday to Tuesday we believe we can assure all readers of receiving the paper by Friday, at the latest, every week. The majority in the rural area will now receive it on Thursday.

Display Advertising Deadline -- Saturday Noon

Classified and News Deadline -- Monday 10:00 A.M.

A good deal of copy is still arriving on Monday and much of it fails to make the current paper. Early copy would be much appreciated.

Canada is pioneering the cancer battle with new equipment, illustrated above, that permits cobalt pellets to be moved inside the patients body. The equipment is going into commercial production in Ottawa this year. The equipment will allow placing of pellets and removal without surgery or a stay in hospital. The equipment is the brachytron, the latest piece of medical engineering from the commercial products division of Atomic Energy of Canada Ltd., which pioneered the cobalt 60 beam therapy units now used throughout the world to fight cancer.

NEW WRINKLE ON PEAS

Possibly as a result of the 1969 studies on the use of field peas in swine rations, considerable interest in pea growing has developed in the prairies. Varying reports have come to our attention in recent months about the success and prospects of pea production. Some farmers have found low protein contents in their peas, a few have trouble harvesting their crops and there were other problems encountered. However, of those who

have contacted us the vast majority seemed interested in trying peas again in 1971.

Good advice on pea growing and harvesting was hard to come by in 1970 and there remains a dearth of local experience on the production and economics of peas. However, it will be of interest to those who decide to grow peas that experiments on the feeding value of peas continues to be encouraging.

The first studies on peas for growing-finishing pigs revealed that we could satisfactorily replace all the soybean fishmeal by using about 24 percent field peas along with mixed cereal grain, plus vitamin and mineral supplements. Since then experiments have included work on using peas for supplementary protein in rations for bred and lactating sows. Once again the results were highly satisfactory in terms of reproduction and lactation.

The pea fed sows averaged 11.1 pigs farrowed with an average birth weight of 3.1 pounds. One of the bonuses in using the ration was its slightly laxative

nature. No special feeding of high-bran rations at farrowing time was employed and no change in ration formulation was made between gestation and lactation periods.

The sow ration contained (per 1000 lb. batch) 567 lb. ground barley, 160 lb. ground wheat, 240 lb. ground peas, 10 lb. ground limestone, 18 lb. calcium phosphate, 5 lb. iodized salt, A vitamin supplement, (A.D., riboflavin, pantothenic acid, B12) and trace minerals zinc, manganese and extra iodine (actually 3 grams calcium iodine/1000 lb. mixed ration).

Studies of peas in early weaning and starter rations are also in progress and some results will be available later in the spring.

The N.R.C. recently reported on the nutritional value of a pea protein concentrate (PPC) prepared from field peas. This product contained about 60% protein and, when appropriately supplemented with methionine had protein quality equal to that of egg or fish protein. We are currently completing further studies on PPC as an ingredient in milk replacers for calves.

Peas continue to give a good account of themselves nutritionally but their production constitutes a new venture for most farmers. Only time, further research and local experience will indicate whether pea production will compete effectively with alternative crops in terms of yield and economic return.

COMING EVENTS

1. Beef Cattle Test Station Field Day and Sale - April 28th and 29th. Program available from this office.
2. Interagency Meeting on May 6
3. Pruning and grafting demonstration on May 8 at Namao school.

Dances in Spectacular

Cindy Booth danced in the "Dance Spectacular" for the fourth year presented by the Alberta Tap Dancing Association. The proceeds went to the Crippled Children's Fund.

Cindy is the daughter of Mr. and Mrs. C. I. Booth, and the grand-daughter of Mr. and Mrs. Ed. Sanderlin of the Bargain Centre of Drayton Valley.

Special thanks go to Al Gilbert of Hollywood and all the teachers (especially Miss Leslie McLocklin who is Cindy's teacher) who put on the Spectacular.

STUDENTS PRESENT RECITAL

The annual spring recital presented by the music pupils of Mrs. A. E. Raven was held Sunday afternoon, April 25th in the Legion Hall. Parents and friends enjoyed an afternoon of piano interspersed with singing and dancing.

The afternoon opened with the singing of O Canada, accompanied by Claire Marie Telford at the piano. Bruce Moltzan was Master of Ceremonies for the first half of the recital with the duties taken by Claire Marie Telford in the second half. Students taking part were Glen Swanlund, Cathy Home, Alayne Tyler, Sandra Shimbashi, Joan Gill, Anna Marie Thompson, Claire Marie and

Brian Telford, Diane McMahon, Rhobin Shimbashi, Gerald and Antoinette Krabbe, Jarl Anne Home, Pat McIsaac, Jody Thompson, Carol Gill, Joy Meraw, Dean MacDonald, Terry Home, Donald Armstrong, Michaelle Shimbashi and Bruce Moltzan.

Sandra, Rhobin and Michaelle Shimbashi presented the ballet "Bretomme" accompanied by Mrs. Raven at the piano and Mrs. Telford and young Cathy Home each sang a selection.

Mrs. Raven expressed her appreciation to the audience and her pupils, and was presented with a lovely house plant on behalf of her students and their parents.

The recital was brought to a close with the playing of God Save the Queen by JarlAnne Home.

U.S. per capita consumption of lamb in 1970 was only 3.7 pounds.

PHONE 542-3425 - DRAYTON VALLEY, ALBERTA

Entwistle Area Man "Steps Back in History"

Mr. Herbert Baker of the Entwistle area recently returned to England to visit his brother and sister whom he hasn't seen since coming to Canada 47 years ago.

The article reprinted below appeared in an English paper during his stay in that country.

"After emigrating to Canada 47 years ago Mr. Herbert Baker returned to England for the first time last week. His destination was his former home, Ashby, where he is visiting his brother and sister.

He is staying with his sister, Rene, at her home 49 Willowbrook Close, Smisby Road, Ashby.

Mr. Baker left for Canada in 1924, when he was 18 years old. It was the spirit of adventure that took the former Donisthorpe miner to a relative's home in Calgary.

With no previous experience Mr. Baker decided to try his hand at farming. He has been a farmer ever since and now owns a 160

acre farm of his own.

"I have absolutely no regrets about going to Canada. Coming back after all those years is like being taken back 100 years in history. Things are so much faster in Canada."

"I have not come over as a tourist, I have come to meet my family. That's why I came in an off-peak period instead of the summer months."

Mr. Baker's visit almost caught his brother and sister by surprise. He decided to make the trip in January, but, because of the postal strike, his letter to Rene arrived only one week before he did.

When he made the first trip to Canada, by sea, the journey took six days. The trip this time, by air, takes only eight hours.

Mr. Baker's brother Ronald is hoping to repay Herbert's visit. He is saving for his retirement, when he hopes to go to his brother's house in Canada, but only for a holiday."

BURTONSVILLE NEWS

Congratulations to Paul Piskunowicz for winning Grand Champion prize with his polled hereford bull at the Bull Sale and Show held at Sekura Auctions, April 17.

Donna Jouan was a recent visitor with her folks, Mr. and Mrs. Emil Jouan.

Rev. J. D. Kennedy attended the Alcohol-Drug Education Association Convention held at Olds April 15th and 16th.

Ralph, Wade and Myles Homme attended the Toc Alpha Convention held in connection with the Alcohol-Drug Convention April 15th and 16th.

Dean and Tony Tarrbian of Edmonton visited their grandmother, Mrs. Mary Tattersall for the Easter holiday.

Walter and Eileen Jossy and family of Edson spent a few days with Mr. and Mrs. L. Criss.

Emil and Jackie Henkel and family were Sunday visitors at the Charlet's.

Sunday visitors with Mary Tattersall were Jim and Treasa Miller, Fern Tarrbian of Edmonton Ray and Betty Tattersall and family from Fox Creek.

Mrs. Marie Hansen is in the Drayton Valley Hospital. A speedy recovery is wished Mrs. Hansen from friends and neighbors.

Cecil and June Homme and

family spent Sunday with Mr. and Mrs. L. Ratke of Spruce Grove. Mr. and Mrs. Dick Wheadon and family of Whitecourt visited Mrs. E. Homme last weekend.

LINDALE NEWS

Mrs. Alice Leake and Laura, returned recently from a visit to southern parts of U.S.A. They travelled by air from and to Calgary.

Congratulations to Elaine Hankins and Danny Adair, whose marriage took place recently. A wedding dance was held in Lindale Hall on Friday, April 23rd.

A cosmetic demonstration, given by Mrs. Beal Beckton, of Breton, was held at the home of Mrs. May Bijou on Wednesday afternoon, April 21st. There will be another demonstration in the area, at a later date.

Lyle Van Loosen was able to return to school after the Easter holidays. Best wishes of the community go with you, Lyle.

Get well wishes go out to Bill McIntosh who has been hospitalized. During his absence, Doug Holmgren has been driving his school bus, since the reopening of school.

Get well wishes go out to Dale Anderson, who recently had a tonsilectomy, and to Anita Sergeant who is in an Edmonton Hospital.

Friends of Raymond and Mary Belanger who used to reside in the Camwood area, now of Fort Nelson, B. C. will be pleased to hear of the marriage of their daughter Terri, Mrs. Alex Lachance, formerly of Lindale but now of Calmar, attended the wedding of her granddaughter.

Why should I
care about
your language?

Why should I
care about
your wheat?

It's easy to say smart things. To applaud clever speeches and sentiments. It's easy not to care.

It's a lot harder to understand our fellow Canadians who may look a little different, sound a little different and perhaps share different beliefs.

But understand we must. If we want to keep our country together.

We've got to start caring. Not just about ourselves, but about all of us. Caring for those Canadians who have less than you do. For those who

need help and jobs. For those parts of our country that are poor.

Language? Well, some of us may go to our graves in smug righteousness for having remained "true" to our mother tongue, whatever it may have been. But what about our children? As Canada takes on a greater role in the global community, will one language really be enough for them?

Yes, we've got to start caring. About language and about wheat. About people. Cities. Farms. Environment. Youth. Culture. Identity. Natural resources. Quality of Canadian life.

If we don't care, nobody else will. And one day we may wake up to find that there is very little of Canada left to care about.

Look around this world. Is there a country that has fewer problems than Canada? Is there a nation with a brighter future than ours? Is there a people who stand on a more promising threshold with greater sense of common direction than we do?

Only we can make it happen.

Canada. Stand together.
Understand together.

IN MEMORIAM

In memory of our infant daughter and sister, Jody Susan Kelso, who passed away on April 26, 1970. One year has gone by. When we said Good-bye. Our sweet little angel Oh how we miss her. She was only a little white flower No one will ever know the hurt. That we still carry in our heart. The sweetest little flower that ever was on this earth. God took her home to heaven before she was soiled on earth. Always remembered and sadly missed by her mom, dad, sister and brother, Kevin, Diane and Gary.

ENGAGEMENT

Mr. and Mrs. Earl Rasmussen of Drayton Valley are proud to announce the engagement of their daughter, Marilyn Ruth, to Mr. Ralph Arthur Thesen of Hinton.

CHILD SAFETY WEEK MAY 1-7

GUARD THEIR LIVES!

CANADA SAFETY COUNCIL

Manpower Representative on Interaction Congress 'Hot Seat'

The April meeting of the Community Interaction Congress was held in the County Committee Room on April 1st, 1971 from 1:00 p.m. to 3:00 p.m., with seven members present, representing the Stony Plain Chamber of Commerce, Department of Youth, Canada Manpower, Department of Agriculture and Stony Plain Memorial Composite High School.

Mr. Martin Goerzen, Guidance Counsellor at Stony Plain Memorial Composite High School, chaired the meeting and Mr. Al Smyth of Canada Manpower was on the "Hot Seat", who explained the services provided by his Department.

The Department of Manpower and Immigration was formed in 1956 from the old National Employment Service, with policies from the old Immigration Department, plus a number of vocational training Acts that existed at the time. The primary objective of the Department is to contribute to the economic and social goals of the Country of Canada by maximizing the use of Canada Manpower resources through a number of programs, by matching people with jobs and upgrading immigrant's occupational training. There is a nationwide Manpower training program, with 350 offices linked by Telex.

Canada Manpower is involved in three types of mobility programs, one of which is a training travel grant, which will pay someone to travel from remote areas to a major center for training. Another is an Exploratory Grant, which enables people who are relatively skilled to travel to areas where they can look for a job and Canada Manpower will help keep the job seeker's family while he is looking for work. A Relocation Grant pays people who must sell their home in order to commence work in another area. They receive \$500.00 when they sell their home and \$1,000.00 when they buy a new home. They also receive reimbursement for moving expenses and a relocation allowance to keep the family while moving.

An Industry Based Training Program is carried on by Canada Manpower in places where there are technological changes taking place. Canada Manpower can set up training courses to retain the workers so they don't lose their jobs. They provide the employer with grants and help set up a training school. The basis for this is that there has to be a danger that the people will be unemployed, such as at Chemcell Plant at Clover Bar. The Man-

power Consultant Service is an agency that gets labour and management together to get a re-training or relocation program going.

Mr. Smyth informed the group that the Department of the Secretary of State has introduced an "Opportunities for Youth" Program, which provides money for organizations or groups who will create projects where students will be employed for the summer. Different Youth Employment projects were discussed and Darwin Park, Martin Goerzen, Doug Laurie, Tom Brown and a representative from Parkland Regional Recreation Department planned to meet on Saturday, April 3rd to organize and prepare a submission of Youth Employment projects for the County of Parkland, which must be submitted to the Dominion Government before April 15th.

On April 2nd Mr. Goerzen conducted a survey in Stony Plain Memorial Composite High School in order to give the Committee a rough estimate of the number of jobs needed in 1/3 of the County. Mr. Smyth felt the Dominion Government Grant monies were going to be allocated on a first come - first served basis and that there was a real urgency to get the submission in.

With April 15th being set as the deadline for submissions to the Secretary of State, the "Projects Committee" met at the Parkland Regional Recreation Office in Stony Plain on Saturday, April 3rd, to develop a proposal which would provide an employment opportunity for High School and University students from the County of Parkland. It was the concern of this Committee that other neighbouring areas may fail to submit a similar proposal and students from these areas would infringe on the employment opportunities for our own residents. The Committee agreed that the first opportunity for specific jobs should be offered to local residents and those jobs unable to be filled in this way would be advertised through the Youth Employment Service in other areas.

The Projects Committee selected five priority projects that would include High School students from the three High Schools in the County. Benefiting from these projects will be local organizations like the Chamber of Commerce and retail business

outlets through the tourist promotion offered by "Hi-way Hostess" programs proposed for the campsites at Entwistle, Gainford and Spruce Grove-Stony Plain. This originated two years ago, after receiving the approval of Highways Minister, Gordon Taylor.

Project 2, known as "Know Your Neighbour", was suggested by students from Memorial High School. It is the purpose of this project to identify farmsteads in the County with the resident's name. Set up similar to a junior achievement Company, the students will be organized into selling crews, a manufacturing crew and an installation crew. With labour being subsidized by the Federal plan, it was felt that every farmer could afford this type of identification at his gate or entry-way. The Town of Stony Plain officials submitted a request to improve the recreational areas at the fair grounds. Also included was a program of community beautification and tree planting in the Town.

Chickacoo Lake campsite improvement and recreational facility development was perhaps the major proposal to be submitted. Students will be involved in brushcutting and clean-up, power toboggan trail clearance, campsite construction and generally improve the recreational potential of the County owned area. The constant increase in annual visitors to the Park has indicated a need for certain improvements. The summer employment program will definitely contribute a great deal toward upgrading recreational facilities within the County.

Finally, the Hasse Lake Provincial Park was selected as another project worthy of Federal assistance. Work crews would again be involved in general improvement of tourist facilities and maintenance.

An announcement by the Minister of Manpower and Immigration, that submissions are expected to exceed 3,000, leaves the local Committee concerned that their proposal will be given some consideration and financial assistance.

The next Community Interaction Congress meeting will be on May 6th, 1971, at 1:00 p.m. in the County Committee Room, with Mr. Doug Laurie, Chairman of the Stony Plain Chamber of Commerce, on the "Hot Seat". Everyone is welcome to attend.

Enjoy Lifestyle Seventy-One on a BAYCREST Hi-Rise Bike

Our own Panther I for boys or girls takes to the road with sleek, swift grace. Both have rugged 15" cantilevered frames with extra-strong-stemmed hi-rise handlebars; red liner tires, 20"x1.75 in the front, knobby treaded and 20"x2.125 in the rear; banana saddles and chrome mudguards front and back. Flamboyant green for boys, gold for girls. Y1023, 4

49.95

• Smooth-Action coaster brake

• Adjustable, 30" chrome sissy bar

Convertible Bicycles

Built for the Big Switch from boys' to girls' model, giving you double mileage for your bicycle dollar. Crossbar bolts on or off, quickly, easily. The frame is sturdy; red liner tires are 20" x 1.75 on 20" wheels; chainguard and fenders are chrome; handlebars are hi-rise styled. Training wheels are included to help your young novice learn quickly, safely. Bright yellow finish. Y102
